How to calculate the accommodation payments

Residents can choose to pay for their accommodation by a refundable accommodation deposit (RAD), a daily accommodation payment (DAP), or a combination of both.

The DAP is calculated by multiplying the RAD (or the unpaid portion of the RAD) by the interest rate set by government (currently 4.91% per annum) / 365 days (/100).

For example: $\frac{\$325,000 \times 4.91\%}{365} / 100 = \43.72 DAP per day

Or a combination payment at 50% of the price by the RAD being \$162,500 and 50% of the price by the DAP being \$21.86 per day.

The basic daily care fee is in addition to the above accommodation charges.

If charges such as a means tested care fee is deemed relevant, they are also in addition to the above.

Fees for additional services apply at \$19.90 per day and are separate to the above. Refer to management for further details.

For concessional/fully supported residents the above accommodation fees do not apply.

Visit www.myagedcare.gov.au or call 1800 200 422 for further information on Government fees and charges.
